

Maryland General Service Area 29 Assembly Handbook

Foreword

The Maryland General Service Area Assembly abides by the principles reflected in the Twelve Steps, the Twelve Traditions and the Twelve Concepts of Alcoholics Anonymous. We also follow as closely as possible the current A.A. Service Manual. However, we recognize that over several years of our existence, we have developed practices and procedures unique to Area 29. **This handbook, therefore, is an effort to describe those practices and procedures presently accepted in the working structure of the Maryland General Service Area Assembly.**

New members are continually coming into Maryland General Service to serve their groups and their districts. At the same time, we have lost many of our early timers upon whom we have relied to orally pass on our traditional "way of doing things". As time has passed, experience has shown that we can no longer retain in our collective memories all the experience and knowledge that has served us so well in the past. Just as our Big Book, "Alcoholics Anonymous", was written so that our message of recovery would not become garbled in the oral method of passing it on, we in Maryland General Service Area 29 believe that this handbook will serve to pass on our service message as it has become known and accepted in the Area 29 service structure.

We know and recognize that no prior service committee or assembly decisions shall be binding on future committees or assemblies. All current committees and assemblies are encouraged to make decisions as they see fit according to their own group conscience. This handbook, therefore, will serve as a guide and a reference for what has worked in the past. It is subject to change by vote of the Area Assembly as the needs in Area 29 Maryland General Service change and as better ways are found to carry our message. As better ways are found and adopted for Area 29, they will be incorporated into the appropriate section of this handbook. A document referencing updates to the text of this handbook will be maintained in the Appendix.

Spirituality in Action*

“I am convinced that God's hand was never more apparent in all of Bill's writings than it is in our blessed third legacy. It is totally a spiritual document, and I think of service as spirituality in action.

“Bill said our third legacy is that ‘least possible organization which will maintain us in effectiveness and unity.’ That must mean that our least possible organization is intended to bind our groups together, in loving and purposeful communication, in about the same manner as individual members are bound together in an A.A. group.

“Originally our ‘least possible organization’ was a means of electing delegates to a conference. Today, we see it differently. Bill challenged us to produce a reliable, 12-months-of-the-year, continuing operation capable of supporting a full measure of service responsibility. I have a job and a responsibility, but I can't do ‘your job.’ Delegates should not do committee members' jobs; they should be delegates. The power and importance of A.A.'s basic principles take on new meaning for our service people in the careful consideration of watchwords like ‘rotation’ and ‘anonymity’ and ‘leadership.’

“Leadership is a continuing problem, just as Bill foretold. If you want better trustees, we need better delegates. If we want better delegates, we need better committee members. If we want better DCMs, we need better GSRs. Better service suggests better unity. Better unity suggests better recovery.

“What is important is that we grow under God quietly and calmly and in freedom. We have no doctrine that has to be maintained. No membership that has to be enlarged. No authority that has to be supported. No prestige, power or pride that has to be satisfied. No property or money is worth quarreling about. These are the advantages of which we should make the best possible use.”

* This is a quote from Tom G., a former General Service Trustee, Canada from a presentation at the 23rd General Service Conference.

Service Structure of the Conference

Overview

The A.A. groups in the U.S. and Canada are linked together by a representative service structure, which makes it possible for A.A. members themselves to oversee A.A.'s world-wide service activities in ways consistent with our Twelve Traditions. "A.A.'s world-wide service activities" includes writing, printing and distributing a uniform literature, acting on matters of A.A. policy, guarding the Twelve Traditions of Alcoholics Anonymous, serving as the voice and anonymous face of A.A. to the world, and providing a conduit and repository for experience and communication among groups.

The components of our service structure are shown in the diagram below, with the A.A. groups, which "**The A.A. Group**" pamphlet calls "the fundamental unit of A.A.," shown at the top since that is where the ultimate responsibility lies. The corporations that perform the hands-on execution of A.A.'s worldwide service activities (Alcoholics Anonymous World Services, Inc. and the A.A. Grapevine, Inc.) are shown at the bottom of the inverted triangle, since all their authority is traditionally delegated to them by the units above them. The groups are connected to the corporations by three successive levels of representation: Districts, Areas and the General Service Conference. Each of these levels is composed of multiple units from the level immediately above.

The General Service Conference Structure

While the General Service Conference operates all year round, the annual meeting, held in New York, usually in April, is the culmination of the year's activities, the time when the collective group conscience of U.S./Canada A.A. comes together to take actions that will guide the groups in the years to come.

Keeping a balance between ultimate authority and responsibility and the active, day-to-day functioning of the world services means there must be constant communication among all elements of the structure.

The A.A. Group

When our co-founders sponsored the General Service Conference, they placed in the hands of the groups the future and destiny of the fellowship. It is suggested that the pamphlets **“The A.A. Group”** and **“Questions & Answers on Sponsorship”** be your first “trusted servant” guides. As you read the sponsorship pamphlet, substitute “the group” for “newcomer” or “beginner.”

A group is an assembly or coming-together of people who associate with each other, who identify, who share and who participate in activities together. To continue our personal recovery and to ensure the future of A.A., it is suggested that we belong to a home group, abiding by a common set of Traditions and having one voice in our group conscience, which is expressed in one vote through the General Service Representative.

Without a group, there is no group conscience, and without the GSR, there is no link to the rest of Alcoholics Anonymous to voice the conscience of an informed group to the fellowship as a whole.

The Group Conscience

A group conscience is a majority of well-informed members, a conscious awareness that “a loving God” may express “Himself” in a minority voice; each question must be well debated, and every member of the group has an equal opportunity to express his or her experience and opinion on the subject, so that a real sense of the group may be known.

The group conscience, as we know and understand it, is a result of decisions made by members of the group, after consideration and deliberation on all the facts. The experience of others and their own experience are brought to light. Therefore, any statement that affects A.A. as a result of a group conscience ought not be rejected or taken lightly. A.A. experience has taught us that those of the minority opinion are often our greatest teachers and should have the right to be heard and the right of appeal and reconsideration. That right provides the voice that may contribute the important information that sways the group to make “the best” informed decision. Experience reminds us that we must not fail to hear the message because we did not like or agree with the messenger.

It was our co-founders' belief that A.A. members would be enlightened enough, moral enough and responsible enough to manage their own affairs through chosen representatives. The danger, of course, is that ignorance, apathy, and power seeking would invade this democratic system, which is based on spiritual principles, and cause it to decline in spiritual resources and collective wisdom.

Happily, for us, there seems little prospect of such a calamity. The life of each individual and of each group is built around the Twelve Steps and Twelve Traditions. We very well know that the penalty for extensive disobedience to these principles is death to the individual and dissolution for the group. An even greater force for A.A. unity is the compelling love that we have for our fellow members and for the principles upon which our lives today are founded.

Therefore, we believe that we see in our fellowship a spiritual society characterized by enough enlightenment, responsibility and love of God and humanity to ensure that our democracy of world service will work under all conditions.

Maryland General Service Area 29 Assembly Handbook

Structure inside the Maryland General Service Area Assembly

Maryland General Service Area 29 Assembly Handbook

The Role of the General Service Representative (GSR)

The GSR is the two-way link between the group conscience and A.A. as a whole. The non-existent or inactive GSR deactivates the check-and-balance system for group self-honesty. Experience seems to indicate that the good intentions of the group were often the enemy of what was the best for the fellowship as expressed in the Traditions and the Concepts. The active GSR ensures the liaison between the group and the worldwide fellowship, starting with group discussions that share the group's experience of "carrying the message" at the District and Area levels.

GSRs are, in a sense, the service sponsors of their groups. They are as kind, nonjudgmental and willing to share as they would be with a newcomer. Group sponsorship is the best example of the relationship of the GSR to the group in matters of service and unity. Because the GSR enjoys the trust of the group, they learn to listen and listen to learn. Their role is often reversed. They return to the group with the results of problems and solutions that could affect the unity, health, and growth of A.A. How well GSRs do their job can be measured by the way they listen to the group conscience and keep their group informed.

Active sponsorship experience is one of the most powerful experiences a GSR can bring to service responsibility. It indicates the ability to reach out and carry the message by working with others as suggested in chapter seven of the Big Book. The GSR needs to develop courage, emotional maturity, and a thick skin to carry the message of service. Experience and AA history provide this confidence.

A sense of humor about ourselves is most important to our service commitment and sobriety. We take the program and our sobriety seriously; we do not take our personal hurts or the rejection of our opinions too seriously. As Dr. Bob said, "Let us also remember to guard that erring member the tongue, and if we must use it, let's use it with kindness and consideration and tolerance."

A General Service Representative job description appears in Chapter 1, p.7 in the current A.A. Service Manual. Reprinted with permission of A.A. World Services, Inc.

Maryland General Service Area 29 Assembly Handbook

The Role of the District Committee Member (DCM)

Just as the GSR is the two-way link between the group conscience and A.A. as a whole, the DCM is the two-way link between the GSRs in a district and the Area Committee, which includes Area Officers. The non-existent or inactive DCM severs that link: a district without an active DCM loses its voice at the Area Committee meetings and is deprived of the information which an active DCM could have reported back to the district's GSRs for their reports to the groups. The active DCM acts as the liaison among the groups in a district, and between the district and the worldwide fellowship, sharing the district's experience of "carrying the message" at the District and Area levels.

The spiritual principles which apply to GSRs apply equally to DCMs: just as GSRs are in a sense the service sponsors of their groups, an experienced DCM may serve as the service sponsor of his or her district. The DCM is in a unique position, able to bring important issues regarding A.A. as a whole to the groups in the district. The DCM can visit groups in his or her district which do not have active GSRs, informing those groups of current issues in Maryland General Service and A.A. service worldwide, and perhaps encourage those groups to register with the General Service Office, to elect an active GSR, and to exercise their right to participate in the affairs of A.A. worldwide. The DCM is also able to encourage the groups within a district to examine ways to carry the message of A.A. through activities, such as workshops, which would be difficult or impossible for a single group or individual to do alone.

The DCM is an essential link between the groups' GSRs and the Area's Delegate. As leader of the district committee, made up of all the GSRs in the district, the DCM is exposed to the group conscience of that district. As a member of the Area Committee, can pass on this thinking to the Area Delegate and Area Committee and keep the groups, through their GSRs, informed about the issues that could affect the unity, health, and growth of A.A. How capably this is done is a measure of the DCM's effectiveness.

Maryland General Service Area 29 Assembly Handbook

Purpose and Composition of the Maryland General Service Area Assembly

Any meeting of the Area GSRs and the Area Committee (see next page) is an Area Assembly.

Members of the Area Assembly have a vote at the assembly. * “The exception is the members of the Board of Directors (who have a vote at Area Assemblies only if fulfilling other positions that do have voting rights).”

** “The Area Assembly holds an important position in the U.S./Canada General Service Conference structure. The areas are directly connected to the A.A. groups and their members through DCMs and GSRs. At the same time, they participate in the decision-making of A.A. through area delegates. At the heart of each area is the assembly meeting, where the democratic voice of our Fellowship expresses itself.”

The purpose of the Maryland General Service Area Assembly is the same as the purpose of an A.A. group: to carry the message to the still suffering alcoholic. Primarily, this is done by electing a Delegate to serve as the area’s conscience at the annual General Service Conference, where decisions are made that affect A.A. throughout the U.S. and Canada. The Assembly may also carry out Twelfth Step work that may not be practical for groups, districts or intergroups to take on by themselves.

The Area Assembly also provides an opportunity for the DCMs and the individual A.A. groups, through their GSRs, to share their experience. The Area Assembly strives to:

- Sponsor area events such as the annual convention, various workshops and other service-related events that have area-wide significance.
- Stimulate A.A. group involvement and participation in the assembly.
- Ensure the right of the minority to be heard.
- Encourage the groups to contribute to Maryland General Service and to the General Service Board in New York.
- Provide a forum for allowing the A.A. groups to inform the Delegate of what items are of concern to the A.A. groups, ensuring that their voices are heard within the A.A. service structure.
- Ensure that the Area Assembly does not act as a governing body over anyone.
- Provide for regular meetings of the GSRs to ensure informed dialogue between the groups and the Delegate.
- Pool financial and human resources to stimulate “carrying the A.A. message” where it is beyond one group's resources to do so.
- Act as a guardian of the Twelve Traditions of A.A.
- Introduce the Twelve Concepts for World Service.

Purpose and Composition of the Maryland General Service Area Committee

The Area Committee is composed of all District Committee Members, Area Officers, all Area Service Committee Chairpersons, and the Maryland General Service, Inc. Board of Directors.

*“In accordance with Concept IV, members of the Board of Directors will have a vote at the Area Committee.”

The Area Committee, through its members listed above, has the leadership necessary to assist the Area Assembly in carrying out the business of the area. The Committee has firsthand knowledge of what is happening in A.A. World Services through our Delegate and is also close to district and local needs and concerns. Therefore, the primary purpose of the Area Committee is to *“provide recommendations and/or information for action by the Area Assembly as the Area Committee may deem appropriate, or as the Area Assembly may specify, and shall carry out such other functions as the Area Assembly may designate.”

*An active Area Committee deals with all kinds of service problems:

- Is Area experience being shared among groups?
- Is the A.A. message getting into hospitals, prisons, and rehabilitation centers?
- Are news media and professionals who deal with suffering alcoholics well informed about A.A. in the districts and the Area?
- Are new groups and loners being visited and helped?

Suggested Area Assembly and Area Committee Meeting Formats

Although the Maryland General Service Area Assembly and Maryland General Service Area Committee differ in purpose and composition as discussed on pp 14 and 15, the format (see below) and Procedures (see next page) are basically the same.

The Maryland General Service Area Assembly meets regularly during each calendar year, approximately bimonthly. The Area Committee meets three (3) to four (4) times during each calendar year, approximately bimonthly. The Chairperson currently in office shall designate the date, time and place of each meeting. The first regular Area Assembly in each calendar year (approximately in March) shall be designated as the Annual Meeting of Maryland General Service, Inc. The regular Area Assembly meeting in October of each odd-numbered year will be the Elections Assembly for officers elected for two (2) years beginning January 1st after the election.

Registration, fellowship and coffee precede the meetings. The new GSR or DCM is encouraged to arrive early for the initial registration process. An Orientation meeting for new GSRs and DCMs (including new Alternate GSRs and Alternate DCMs) will be scheduled generally prior to the meeting.

Summary of Area Assembly and Area Committee Procedures

In business sessions, the Area Assembly and Area Committee *generally* follow Robert's Rules of Order.

General Rules of Debate

An item of business to be voted on by the Area Assembly or Area Committee is brought to the floor as a motion. If a second to the motion is made, discussion will follow. (An Area Committee recommendation is automatically a motion that has been made and seconded.) People who wish to speak line up at the microphones and are called on in order. Each person may speak for two (2) minutes. No one may speak for a second time on a topic until all who wish have addressed the issue for the first time. Voting is done by a show of hands, or if the Chairperson requests a “sense of the meeting” and no “nays” are heard, the motion passes.

Calling the Question

A voting member may call for a vote – “call the question” – after the matter has had a thorough airing or discussion has ceased. Calling the question brings debate to a halt while the members decide whether to proceed to a vote (the question) or go on with the debate. A motion to call the question must be made in order at the microphone; requires a second; is not debatable and requires a two-thirds vote. The Chairperson may decline to entertain the motion to call the question if they feel the matter has not been thoroughly aired. If no one is standing at the microphone, the Chairperson may proceed to a vote without anyone calling the question.

Simple Majority Vote, Substantial Unanimity, Tabling, and Referral to Committee

A simple majority is required to approve a motion in most cases. The exception is when any member of the Area Assembly raises a point of order during the discussion and requests that the motion require substantial unanimity to be approved. If seconded, the point of order is voted on without debate. If passed by a simple majority, the original motion on the floor will now require two-thirds vote in favor to pass or be approved.

Any voting member may make a motion to table (postpone) further discussion and/or voting on any motion until the next meeting of that body. A motion to table must be made without comment and is not debatable. If the motion to table is seconded and approved by a simple majority, the tabled motion is placed on the “Old Business” agenda for the next meeting of that body.

Important matters to come before the Area Assembly may be referred to the Area Committee either by the Area Chairperson or by Area Assembly action. The Area Committee carefully considers the items before it and presents its recommendations to the Area Assembly for acceptance or rejection. This ensures that a greater number of questions can be dealt with during the Area Assembly.

Minority Opinion and Reconsideration

Once the outcome of the vote is determined, the chairperson may ask for the minority opinion to be heard. Only those voting with the minority may come to the microphone to express their views. The Chairperson is not required to ask for minority opinion, but any member voting in the minority may ask to be heard.

After hearing the minority opinion, a member who voted with the prevailing side may make a motion to reconsider, or the Chairperson may ask whether anyone in the majority wishes to change their vote. A motion to reconsider may be seconded by anyone. If the majority votes to reconsider, full debate, pro and con, is resumed, bringing only NEW considerations to the floor. No action may be reconsidered twice.

Eligibility to Vote

At Area Committee meetings, all DCMs (or their alternates), Area Officers, Chairpersons of Area Service Committees (or their co-chairs), and the members of the Board of Directors are eligible to vote. At Area Assembly meetings, all GSRs (or their alternates) and all voting members of the Area Committee listed above have a vote. The exception is members of the Board of Directors (who have a vote at Area Assemblies only if fulfilling other positions that do have voting rights).

Maryland General Service Area 29 Assembly Handbook

Purpose of the Area 29 Conference Agenda Review Committees

The purpose of the Conference Agenda Review Committees (“CARC(s)”) is to help prepare the Area Delegate and Alternate Delegate for the General Service Conference and to recommend Agenda Items to the Area for consideration and possible approval no later than the last Area Assembly prior to the General Service Conference (GSC) submission deadline. The CARC will consist of GSRs and DCMs in the designated districts, as well as Area Service Committee Leaders, Past Delegates, Area Officers, and all interested members of the fellowship. Each CARC will choose a CARC Leader*, Recorder, and alternates, to facilitate the meetings and help prepare reports and presentations for the annual Mini-Conference.

Each CARC will discuss pre-selected topics from the Final General Service Conference Agenda as modified by a committee consisting of the Area Delegate, Alternate Delegate, and Past Delegates. This should stimulate interest and add a significant cross section of the Area conscience to future discussions. Each CARC will be assigned a Mentor* to help guide the CARC process.

Area Service Committees are responsible for reviewing any Kit and Workbook available from GSO that corresponds to their committee and bring any recommendations for changes to the area. Each Committee Chairperson will participate in at least one CARC meeting.

These items must be approved by a vote of the Area Assembly before the Agenda submission deadline

It is incumbent upon the CARC Leaders to be aware of the budget amount allotted to their CARC for each one-year period. The Area will pay the cost of facility rental if necessary, and copies made, up to a designated amount each year.

Maryland General Service Area 29 Assembly Handbook

Matters of Finance

Typical of most undertakings in A.A., the Maryland General Service Area 29 Assembly strives to be self-supporting through the contributions of the A.A. groups within the Area. In our early years, the primary purpose of this support was to see that our Delegate's expenses for the annual meeting of the General Service Conference were paid. Today, however, this is only the beginning. In addition to the more routine expenses of postage, phone calls, printing meeting minutes and the like, new costs have been generated over the years as the GSRs, Area officers and Area Committee chairpersons have expanded the service role of the Assembly to include supporting committee work, active institutional work, and useful public information, and cooperation with the professional community.

Guiding Principles

- The Seventh Tradition supports our primary purpose, described in the Fifth Tradition
- All officers and committees are endowed with the Third Concept "Right of Decision"
- Every service responsibility should be matched by an equal service authority with the scope of such authority well-defined¹
- Final authority rests with an informed group conscience²
- We are an organization of volunteers who understand that service is its own reward
- For purposes of accurate budget development, expenses incurred while conducting business at the request of the Area should be fully reimbursed or duly noted
- The choice to be reimbursed should be left to the individual, however any anticipated expenses should be included in the budget
- The intent of the Area is to encourage anyone who is willing and able to perform service to do so by removing personal finances as a limiting factor
- The Area budget should be set at adequate levels to cover expected expenses
- According to Concept XII Warranty Two, our prudent financial policy is to have sufficient operating funds, plus an ample Reserve³
- In the spirit of the Seventh Tradition, the Maryland General Service Area 29 Assembly should be self-supporting in all its affairs

Maryland General Service, Inc. - Internal Financial Control Policy

The organization, Maryland General Service, Inc. (MGS), will implement a system of internal controls that includes all coordinated methods and measures to safeguard resources, assure the accuracy and reliability of accounting records and enforce adherence to established management policies and procedures.

Financial duties should be assigned, whenever feasible, so that the responsibilities for operations, custodianship, and reporting are separate and distinct. (See sections regarding functional activities for specific segregation of duties and requirements outlined below regarding Cash Controls.)

The organization must have a system of authorization and procedures to provide reasonable accounting control and oversight of assets, liabilities, revenues and expenses.

Secure Area

Transactions and documents specified below shall be recorded in paper or electronic form, as appropriate. The term “secure area” in the following implies a locked physical location for transactions and a password protected online storage area for documents.

Cash Controls

Bank Accounts

Check signing authorization and signature cards for all MGS bank accounts shall be executed and maintained by the Treasurer and the Financial Institution.

The MGS Treasurer will notify the bank immediately if there is a change in authorized check signers for any account associated with MGS.

At a minimum, one corporate bank account shall be maintained for payments on demand for operating and other expenses.

Secondary accounts will be opened only for specifically identified purposes (e.g. Reserve Fund, Special Savings, Literature, Grapevine, Maryland State Convention). Secondary accounts must be approved by the Assembly prior to opening account.

All orders for blank vendor checks by any MGS committee must be authorized in writing by the MGS Treasurer. Upon delivery of the blank checks, the checks will be reviewed and noted for any discrepancies of check sequence numbers, missing or incorrect information.

Unused check supplies will be safeguarded in a secure area. Access to unused check supplies is limited to authorized personnel. Signed checks that have not been mailed or distributed will be kept in a secure area.

Bank Statement Reconciliations

All Maryland General Service, Inc. (MGS) bank statements shall be available to the MGS Finance Committee Chairperson for review upon request.

Bank statement reconciliations for all MGS associated accounts shall be made by the Treasurer in a timely manner after the end of the month. The reconciliation process shall, at a minimum, account for sequential check numbers, and examination of cancelled checks for authorized signatures, irregular endorsements, alterations and a review of voided checks. Differences and outstanding items shall be resolved in a timely manner and reported back to the MGS Finance Chairperson. The Finance Chairperson will provide oversight and email verification of the reconciliation to the Area Treasurer.

Maryland General Service Area 29 Assembly Handbook

Checks outstanding for over thirty (30) days shall be investigated and resolved in a timely manner.

Voided checks and stop payments shall be recorded and restored to cash balance in the general ledger in a timely manner.

The bank reconciliation reports are to be saved and available for review by the Finance Chairperson.

Receipts

Mail with check receipts will be opened, date-stamped, and recorded on a Checks Received Log, (either in hard copy or in software) which will include the date of the check, the name of the payer/ group, the amount of the check, and an image of the check.

Check receipts will be endorsed as follows:

For Deposit Only Full Organization Name Bank Name Account Number

All checks, app based monies, and cash received will be deposited at regular intervals.

All receipts will be recorded and properly substantiated with supporting documentation.

All deposit slips will be numbered.

The listing of mail receipts will be subsequently compared monthly to the cash receipts record and authenticated copies of the deposit slip.

The Checks Received Log and deposit slips will be forwarded to the MGS Finance Chairperson monthly.

Disbursements

An official MGS voucher form, with receipts attached, must be submitted to the MGS Treasurer for expense reimbursement.

Disbursements from bank accounts shall be made only for valid transactions. The payment of goods and services shall be organized to ensure that no unauthorized payments are made, that complete and accurate records are made of each payment, and that payments are recorded in the appropriate period.

All disbursements will be tracked according to the originating source. Documentation must be provided for checks used out of sequence.

The MGS Chairperson and one (1) other MGS Officer must approve non-check disbursements.

“Two signatures” can mean two authorizations via electronic method or two physical signatures on a traditional paper check. All disbursements or withdrawals, including non-check disbursements, shall require the “signatures” of the MGS Treasurer and one (1) other MGS officer. All MGS Committees shall have at least two authorized signature positions within the committee.

Maryland General Service Area 29 Assembly Handbook

Credit and Debit Cards

Credit cards in the name of an officer or other trusted servant are not authorized. The MGS debit card is authorized for use by the MGS Treasurer. ALL purchases made with the MGS debit card shall be authorized in writing (paper or electronic), in advance, by any two MGS Officers. Secondary accounts, as needed, may have debit cards.

Electronic Transfer of Funds

Electronic fund transfers originating from the bank using Online Banking are authorized as long as the following conditions are met:

- 1) The payee has agreed to receive electronic funds originating from the bank
- 2) Each transfer is accompanied in the MGS Treasurer's documentation by substantiated expense vouchers and receipts.
- 3) All disbursements made via electronic funds transfer shall be authorized in writing (paper or electronic), in advance, by any two MGS Officers.

Accounts Payable

The MGS Treasurer pays invoices by their due date, usually within a 30 day grace period from invoice date.

Checks used for Accounts Payable are pre-numbered, safeguarded until used, and will not be signed "blank."

Checks used for Accounts Payable will only be signed upon sufficient presentation of an invoice or other documentation of the expense.

The Budget

A financial budget is a planning tool used in the business world for hundreds of years. Its primary purpose is to plan or predict future amounts of income and expense over a given period, usually a year. Based on this type of plan, the Area Assembly delegates spending authority to our trusted servants in Maryland General Service. This eliminates the need for the Area Assembly to approve each detailed expenditure. This **does not** mean that once the budget is approved it can never be changed.

The Finance Committee is responsible for preparing the next year's annual budget proposal by soliciting input from all of the Area officers, committee chairpersons, and other trusted servants. This is done in the fall of each year and presented for approval or disapproval at the Area Committee usually in November.

The proposed budget, as moved by the Area Committee will be emailed to DCMs and GSRs in a timely manner for discussion prior to the December Assembly.

If the budget proposal is not approved by the Area Assembly, it is the Area Chairperson's prerogative to delegate the budget to the Finance Committee for further review and modification or to take other action as appropriate. In this case, Maryland General Service, Inc. will continue to function under the terms of the previous year's budget until a new budget is approved.

The Prudent Reserve

A.A. experience clearly shows that it is not a good idea for a group to accumulate large sums of money in excess of what is needed. The original recommendation in this Handbook was that the Area Assembly should set the Prudent Reserve at an amount equal to approximately six (6) months of operating expenses. In March 2021 the Area Assembly approved a Prudent Reserve of \$20,000.⁴ The Prudent Reserve is not money that should never be spent; it exists as a back-up fund.

In 2007, the Area Assembly specified that the Prudent Reserve should be kept in deposit accounts separate from the general operating funds. The prudent reserve is held in cash accounts at local banks. The Prudent Reserve account is net of, and does not include, the Assembly's inventories of AAWS, Inc. or A.A. Grapevine literature. The Prudent Reserve account also does not include seed money for the annual Maryland State Convention, or any special reserves that the Assembly may from time to time see fit to establish for ad hoc purposes.

Financial Review

At the end of each year, the financial records of Maryland General Service, Inc. are reviewed by the Treasurer and the Finance Committee, and optionally by an accounting firm employed by the Area Assembly.

⁴ As of December 2009

Maryland General Service Area 29 Assembly Handbook

Expense Reimbursement for Area Officers and Committee Chairs

The annual corporate budget shall be the general guide for reimbursement of expenses. Budgeted expenses will be reimbursed upon receipt of appropriate Expense Vouchers with receipts and supporting documentation.

Forums, Conventions, Conferences and Other Events

This category of expenses includes the cost of lodging when necessary and is reimbursable as indicated above.

While not required or expected, except in certain designated trusted servant positions, Area Committee leaders are encouraged to attend as many service-related functions and events within their budget to enhance and enlarge their service experience. Recommended events and functions may include:

- **NERAASA** (North East Regional Alcoholics Anonymous Service Assembly)
The purpose of NERAASA is for GSRs, DCMs, Area Committee members and Intergroup/Central Office Representatives of the Northeast Region to discuss General Service Conference related issues and concerns affecting A.A. as a whole, as well as pertinent aspects of recovery, unity and service common to the Areas of the Northeast Region.⁵ NERAASA is held annually in February.
- **Maryland State Convention** – See p 43
- **NERF** (North East Regional Forum)
Regional Forums are weekend sharing and informational sessions designed to help the General Service Board, A.A. World Services, Inc., the A.A. Grapevine Corporate Board, the A.A. Grapevine Staff, and the General Service Office Staff stay in touch with A.A. members, trusted servants and newcomers to service throughout the A.A. service structure. Regional Forums are held every other year in each region on a rotating basis.⁶ NERF is typically held in June.
- **NERD** (North East Regional Delegates Convention)
The NERD Convention began in 1971 and continues as an annual reunion for Past Delegates, seated Delegates and seated Alternate Delegates. NERD is typically held in March.
- **Area 29 Mini-Conference** – See p 44
- **Area 29 Conference Agenda Review Committees (“CARCs”)** – See p 18
- **Other Events of Special Interest may include:** Intergroup/Central Office/AAWS Seminar, Bridging the Gap Seminar, National AA Archives Workshop, National Corrections Conference, National Technology Conference.

Travel, Auto Mileage, and Meals

Automobile mileage is reimbursable at a rate determined by the Area Assembly. Other travel expenses and meals are reimbursable when accompanied by receipts.

General Operating Expenses

Expenses in this cost category include items such as postage, telephone, copying, and office supplies. These are all reimbursable when accompanied by receipts.

Appendix C – The Principles of Alcoholics Anonymous

The Twelve Steps of Alcoholics Anonymous

1. We admitted that we were powerless over alcohol – that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God *as we understood Him*.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory, and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God *as we understood Him*, praying only for the knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics and to practice these principles in all our affairs.

Maryland General Service Area 29 Assembly Handbook

The Twelve Traditions of Alcoholics Anonymous (Short Form)

1. Our common welfare should come first; personal recovery depends upon A.A. unity.
2. For our group purpose, there is but one ultimate authority – a loving God as He may express himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for A.A. membership is a desire to stop drinking.
4. Each group should be autonomous, except for matters affecting other groups or A.A. as a whole.
5. Each group has but one primary purpose – to carry its message to the alcoholic who still suffers.
6. An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise lest problems of money property and prestige divert us from our primary purpose.
7. Every A.A. group ought to be fully self-supporting, declining outside contributions.
8. Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. A.A., as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Alcoholics Anonymous has no opinion on outside issues, hence the A.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

Maryland General Service Area 29 Assembly Handbook

The Twelve Concepts for World Service (Short Form)

1. Final responsibility and ultimate authority for A.A. world services should always reside in the collective conscience of our whole Fellowship.
2. The General Service Conference of A.A. has become, for nearly every practical purpose, the active voice and effective conscience of our whole Society in its world affairs.
3. To insure effective leadership, we should endow each element of A.A. – the Conference, the General Service Board and its service corporations, staffs, committees, and executives – with a traditional ‘Right of Decision’.
4. At all responsible levels, we ought to maintain a traditional ‘Right of Participation’, allowing a voting representation in reasonable proportion to the responsibility each must discharge.
5. Throughout our structure, a traditional ‘Right of Appeal’ ought to prevail, so that minority opinion will be heard and personal grievances receive careful consideration.
6. The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.
7. The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness.
8. The trustees are the principal planners and administrators of overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities.
9. Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.
10. Every service responsibility should be matched by an equal service authority, with the scope of such authority well-defined.
11. The trustees should always have the best possible committees, corporate service directors, executives, staffs, and consultants. Composition, qualifications, induction procedures, and rights and duties will always be matters of serious concern.
12. The Conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserves be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and, whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.
