

# Delegate Report

## Area 29 Panel 74

November, 2025

### *Humility in Action*

*The Spirit of Rotation reminds us that AA service is a shared journey. We take on responsibilities for a time, then step aside so others can grow, discover their gifts, and bring new ideas. Rotation keeps us humble, helps prevent burnout, and reinforces that no one person is meant to run the show.*

*With kindness, we pass along what we've learned and welcome new trusted servants, supporting smooth, respectful transitions. By doing so, we strengthen unity and keep service a gift we temporarily hold—then gratefully pass on so our Fellowship can continue to flourish.*

## General Service Highlights

### Fifth Edition Alcoholics Anonymous

Plans are moving forward to provide a conference review of the draft 5th edition at the 76th General Service Conference (GSC) . I have provided my input that the full conference should have complete access to the draft as a matter of acting in the interests of the fellowship as a whole.

### Fourth Edition Alcohólicos Anónimos

There will be a very detailed report at Conference next year. This is almost completed. The committee does not want to rush translation over quality. The 76th GSC will discuss the process to present it at the 77th GSC.

### Publishing Director Position Announcement

Alcoholics Anonymous World Services, Inc. is seeking a Publishing Director to lead the Publishing Department at the General Service Office in New York City.

This full-time position provides strategic and visionary leadership for the production of A.A. literature in print, digital, and audiovisual formats, while upholding A.A.'s mission and values.

## Newly revised and expanded "Markings on the Journey" video in 3 formats!

"**Markings on the Journey**," the much-loved video from the G.S.O. Archives, is now available in an *expanded edition*! This inspiring A.A. history film now features rare full-color home-movie footage of co-founders Bill W. and Dr. Bob with their wives at Stepping Stones in the early 1940s. In response to Fellowship requests, the new edition is offered in three formats—**DVD, thumb drive, and digital download**—through the **A.A.W.S. Webstore**.

**Living Sober** - The sub committee received initial batch of updates from Publishing. It has more contemporary language and the sub committee is reviewing them and then Publishing will have more clarity on what needs to be done. Hopefully in the conference update/background it will have some examples of the contemporary language and a list a few new ideas

**Do You Think You're Different?** pamphlet (EDW placed in Trustees). The committee wants to make this shorter, 3-4 stories then “snackable” content with quotes or Vinettes. The hope is that it is a 5 minute read instead of a 50 minute read.

# NORTHEAST REGIONAL FORUM (NERF) [Registration is FREE](#)

**December 5-7, 2025** Omni Providence Hotel, Providence, RI

Intended to foster trust and communication among A.A. members, the General Service Board, staff, and directors from GSO and AA Grapevine.
